

IN MY STREET

- Read the texts and complete the maps.
Write the names of the missing places and draw them in the right place.

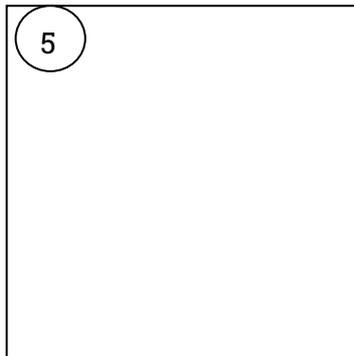

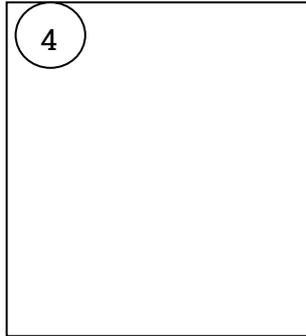

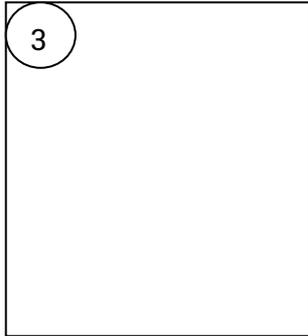

A)

In my street there is a hospital between the bank and the post office.

Opposite the bank there is clothes shop.

Next to the clothes shop is the supermarket.

To the right of the supermarket there is a shoe shop.

B)

In my street there is a theatre opposite the police station.

The cinema is next to the museum.

The kindergarten is between the police and the hospital.

● Draw your own street and describe the position of the places in town using there is / there are.

GIVING DIRECTIONS

● Look at the map.

● Write directions.
