

It's a dog's life!

Here are the answers of a cartoon dog to imaginary interview questions. Read them and

- guess which dog the text is about; and
- write the full questions to get the text.

WHAT...?

I am a beagle. Beagles are a dog breed from the UK. We are usually white, brown and black. We have an excellent sense of smell.

WHEN...?

My birthday is on 10th August.

HOW MANY...?

I've got seven brothers and sisters. Their names are Spike, Belle, Marbles, Olaf, Andy, Molly and Rover. We all come from the Daisy Hill Puppy Farm, but we don't live together.

WHERE...?

I have a dog house in the garden. I love to sleep on its roof.

WHO...?

My best friend is a little yellow bird, Woodstock. He often flies to the garden and we talk. You can't understand him, because he speaks bird language, but I can.

WHICH...?

My favourite things are pizza, sleeping and soap bubbles. Things I don't like are coconut candy, icicles and when somebody squeezes balloons.
