This is Alison's brother, Jamie. He is six years old and doesn't go to school yet. You can't see it in the picture, but he has green eyes and short brown hair. He usually wears shirts. He is the tallest boy in his kindergarten class. He loves fruit but he hates spaghetti. In the picture he isn't eating his dinner. He is making a mess.

Alison's mother Julia is tall, too. She has long black hair and brown eyes. She is slim and fit because she runs every day. She also takes their dog, Timothy, with her. Julia and Timothy are wearing glasses here. They are going to a dog show.

Alison's and Jamies' grandpa Mike is quite old. He is a little plump, too, because he eats a lot of cakes and biscuits. His hair is white, but his eyes are green and sparkly. He has a small company and still works as a lawyer. In his free time, Mike loves to spend time with his friends. In the picture, he is mixing some music for a New Year's party.

This is Alison's cousin, Laura. The picture is from her birthday. She wants to be an astronaut. Laura is one year younger than Jamie. She is short and energetic. She has curly brown hair and blue eyes. Laura doesn't like to tie her hair. She is laughing here because she made the rocket on her own. In her imagination, she is flying to the Moon!
