# LESSON 2 · MONEY MATTERS

## 1 Read. Pročitaj.

Keiran: We're doing a survey on teenage money habits. Can I ask you a question, Russell?

Radimo istraživanje o tome kako mladi upravljaju novcem. Smijem li te nešto pitati, Russell?

Russell: Sure. Shoot!  
Naravno. Pucaj!

Keiran: Do you get any allowance?  
Dobivaš li od roditelja novac za sitne troškove?

Russell: Mum gives me £10 (pounds)\* every Monday.  
Mama mi daje 10£ (funti) svakog ponedjeljka.

Keiran: Do you put any money aside?  
Stavljaš li nešto na stranu?

Russell: What's there to put aside?  
Što tu ima za staviti na stranu?

Keiran: Cool down! So, you think it is not much and you never save?  
Ohladi se! Dakle, misliš da to nije puno i nikada ne štediš?

Russell: Not exactly. I'd like to buy a new bike.  
I AM putting some money aside.  
Nije baš tako. Htio bih kupiti novi bicikl.  
STAVLJAM nešto novca na stranu.

Keiran: Good for you. The latest mountain bike model?  
To je dobro za tebe. Najnoviji model brdskog bicikla?

Russell: I can't afford that. I'm thinking of a second-hand one.  
To si ne mogu priuštiti. Razmišljam o rabljenom biciklu.

Keiran: Do you do any extra jobs?  
Radiš li i neke dodatne poslove?

Russell: This month, I'm doing paper rounds. Keith and I are watching our neighbours' dogs this week.  
Ovog mjeseca raznosim novine. Keith i ja ovog tjedna čuvamo susjedove pse.

Keiran: **You must be loaded then! Can you lend me £5\*?**  
Onda si sigurno pun kao brod! **Možeš li mi posuditi 5£\*?**

Russell: I never borrow money and I never lend it. Besides,  
**I don't have any money on me.**  
Nikada nikome ne posuđujem novac, niti ga posuđujem od drugih. Osim toga, **kod sebe nemam novca.**

Keiran: Just kidding! But you're the right person to hang out with!  
Samo se šalim! Ali ti si prava osoba za druženje!

Russell: Wrong again! I always think twice before I spend.  
Money is hard to make. **Don't waste money!**
